

## Fall 2019 French Visa Application Guide

### Review Deadline for all materials by OIE:

- Attend a Required Document Review session by May 1, 2019

**The French government requires that all students participating in a fall 2019 Paris semester program submit their visa applications directly to a VFS Global Center.** You may submit your visa application at any of the following VFS Global Center locations:

- New York City
- Atlanta
- Boston
- Chicago
- Houston
- Los Angeles
- Miami
- San Francisco
- Washington DC

**Important Note about International Travel Prior to Studying Abroad:** Due to the processing time of VFS Global and the French Consulate in Washington DC, you will most likely receive your passport with affixed visa 6 weeks after your scheduled appointment with VFS Global. **Students wishing to study abroad on a fall 2019 semester program should not plan any travel outside the U.S. from mid-May 2019 to departure in August 2019, until you know the date of your visa appointment and confirm processing time with VFS Global.**

This French Visa Application Guide was developed by the St. John's University Office of International Education to help guide students participating in the following study abroad program with their French visa application process:

- Discover France: Paris
- Discover France: Biology and Chemistry (*\*Update: Confirmed to run on March 21, 2019*)

The purpose of this French Visa Application Guide is to provide an explanation of the French visa requirements issued by French government, help guide students with their French visa application process, and explain the additional assistance that will be provided by OIE.

**The French government does not issue a standard set of requirements for study abroad students. It is critical that you follow the instructions generated for you by the France-Visas website. This Guide serves as an explanation for the most common requirements generated by the France-Visas website.**

### **13. One Original + One Copy of Proof of Financial Support**

All Proof of Financial Support documents must be recent. Recent means issued within **30 days prior to your visa appointment date**.

- **(1) Student Bank Statement**

- As of February 2019, the French Consulate in Washington DC has determined that students studying on a fall 2019 Paris semester program must have at least \$3,280 in their personal checking and/or savings account, or the equivalent of \$820/month. This must be an actual bank statement, not a screenshot printout from online. This can be a joint bank statement between the student and another person, so long as the student's name is listed on the bank statement.

*or*

- **(2) Office of Student Financial Services Letter** verifying that the student has a credit/remaining balance of at least \$3,280 that will be dispersed to the student **after** tuition and fees are covered.

*or*

- **(3) Bank Statement of a Relative or Friend Supporting You Financially Plus Financial Guarantee Form**

- **(A) Guarantor Bank Statement:** verifying at least \$3,280 in the Guarantor's personal checking and/or savings account **for 3 consecutive months prior to the date of the visa appointment** (the Guarantor is your relative or friend who will support you financially); *plus*
- **(B) A completed Financial Guarantee Form.** The Financial Guarantee Form is posted on the [Apply For An Entry Visa](#) page and must be *notarized*. If the Guarantor's bank statement is a *joint account* held with another individual, the Financial Guarantee Form only needs to be completed by **one** person whose name is listed on that joint bank account.

#### **Proof of Financial Support Tips!**

- The bank statement cannot be a screenshot from your bank's website. However, if you receive your monthly bank statement electronically in PDF format, a printout of this PDF is acceptable. In addition, the print-out from the Internet will not be accepted by the French Consulate unless the name of the bank and the name of the account holder are clearly stated.
- Bank Statements for retirement accounts or stock portfolios are not accepted by the French Consulate.
- What does it mean when it says the Financial Guarantee Form must be notarized?
  - When a document is notarized, it means that a Notary Public has watched you sign the document, and puts a stamp on it verifying that your signature is authentic.
  - The Notary cannot be someone you are related to.
  - Most bank branches have a notary, and will provide their services at no charge if you are a bank customer.

**14. Participate in a Required Document Review Session**, request the required verification letter (OIE Acceptance Letter), and provide your visa application and all supporting documents for review by OIE.

### **15. Visa Fee Payment**

- Submit payment for your visa directly to VFS Global during your appointment. Price: the U.S. dollar equivalent of 50 Euros paid by MasterCard, Visa Card, Debit Card or cash - as of March 2019 this is \$57.
- If the France-Visas website indicates that the visa cost is 99 Euro – that is only for students who do not complete the Campus France registration process. Since you are required to register with Campus France, the fee is 50 Euros.

**16. Attend** your visa appointment at the VFS Global Center. The NY location is: 145 West 45<sup>th</sup> Street, 4<sup>th</sup> Floor, New York, NY 10036. The address for other VFS Global Centers is available here: [https://france-visas.gouv.fr/en\\_US/web/us/a-qui-sadresser](https://france-visas.gouv.fr/en_US/web/us/a-qui-sadresser).

**17. Pick up your Passport and Visa**

- At the end of your visa appointment, you will receive instructions on how you will be notified to pick-up your passport and visa. It takes approximately 6 weeks for visas to be processed and ready for pick-up.
- You will also be given an option to pay for your passport and visa to be returned to you via mail.
- When you receive your Passport back, be sure to double check that your name is spelled correctly on your visa, that it is issued for the correct program dates, and that it is a multi-entry visa.

**18. Provide** a copy of your French visa & Passport to OIE by uploading scans or pictures through your online study abroad student portal via the Copy of Visa and Passport Upload Questionnaires.
